

REMARKS

Claims 1-20 and 46 are pending in the present application. Claims 17-20 are rejected, claim 46 is objected to, and claims 1-16 are allowed. Claim 17 is amended, and claim 46 is canceled. No new matter is added. The rejections are respectfully traversed in light of the following remarks, and reconsideration is requested. The amendment is made to place the application in condition for allowance, and thus, Applicants respectfully request entry of the amendment to claim 17 under 37 CFR 1.116.

Rejections of Claims 17-20

Claims 17 and 19 were rejected under 35 U.S.C. 103(a) as being unpatentable over Ghosh (U.S. Pat. 6,011,813) in view of Xia et al. (U.S. Pat. 7,190,744).

Independent claim 17 has been amended to recite the limitations of claim 46, which the Examiner has indicated as being allowable. Thus, claim 17 is believed to be allowable.

Claims 18-20 depend on claim 17 and are thus patentable for at least the same reasons as claim 17.

Accordingly, Applicant respectfully requests reconsideration and withdrawal of the rejections of claims 17-20.

Allowable Subject Matter

Applicants thank the Examiner for the indication of allowed claims 1-16 and allowability of claim 46. The limitations of claim 46 have been incorporated into claim 17, and claim 46 has been canceled. Accordingly, Applicants believe independent claim 17 is now in condition for allowance.

CONCLUSION

For the foregoing reasons, Applicants believe pending claims 1-20 are allowable, and a notice of allowance is respectfully requested. If the Examiner has any questions regarding the application, the Examiner is invited to call the undersigned Attorney at (949) 752-7040.
